# Kluwer Arbitration Practice Plus

**Kluwer Arbitration Practice Plus** offers support throughout the entire arbitration process, there are four modules:

## Practical Insights

Provides a concise, twelve-step guide to the most pressing and challenging issues in the international arbitration process, from **Interim Measures** to **Enforcement of Arbitration Agreements**.

## The Arbitrator Profiles and Relationship Indicator Tool

Includes 4,100+ arbitrator profiles and 12,500+ relationships for review. Access data-driven information to support the selection of arbitrators. The information derives from Kluwer Arbitration's comprehensive collection of international awards and appointing data from leading arbitration institutions.

## Quick Answers

Allows to quickly examine and compare specific content by topic across selected jurisdictions or arbitral institutions. Gain answers to approx. 400 questions in the areas of Appointment and challenge of arbitrators, Privacy and confidentiality, Drafting arbitration agreements, Sovereign immunity, and Arbitral institutions

## Documents and Guidelines

A collection of forms used in international commercial arbitration covering the different steps of an arbitration proceeding, from a Request for Arbitration until the final Award.

## Request your free 14-day trial

There are just a few steps to take to request your demo of Kluwer Arbitration Practice Plus, whereby a member of our team will talk you through the new and improved research journey and how the product can best help you with your decision making. After the demo, your free 14-day trial will start.
